

Application for Permit for access driveway to City of Spooner Streets

Section 86-681 through 86-686

Name and Address of Applicant:

Street: _____

Number of Driveways: _____

Type of Driveway: _____

Completion Date: _____

Description of proposed work, special restrictions, other details or sketches:

Issuance of this permit shall not be construed as a waiver of the applicant's obligation to comply with other restrictions, or requirements imposed by local ordinances and zoning.

The applicant acknowledges that he has read the conditions of Issuance attached to this application and he agrees to comply with all restrictions and conditions. The City of Spooner Street Department reserves the right to remove the access driveway at the owner's expense in case of failure to comply.

Signature of applicant

Date

Approved by City of Spooner Street Department

Engineer

Date: _____

Permit Number: _____

Conditions of Issuance:

First: The applicant indicated on the permit represents all parties in interest, and that any driveway or approach constructed by or for him is for the bona fide purpose of providing access to his property.

Second: The permittee shall furnish all materials, do all work and pay all costs in connection with the construction of the driveway and its appurtenances on the right-of-way. In every instance, the subsequent maintenance of the driveway and of its appurtenances within the limits of the highway right-of-way shall be the responsibility of the indicated permittee who shall be obligated to pay all costs and accomplish all works necessary in relation to said maintenance of the driveway facility.

Third: The driveway installation shall be made without jeopardy to or interference with traffic using the street or alley.

Fourth: Street or alley surfaces, shoulders, ditches, and vegetation, which are disturbed by the driveway installation, shall be restored to at least the pre-existing conditions by the driveway construction.

Fifth: The driveway shall not obstruct or impair drainage in street or alley side ditches. Driveway culverts where necessary, shall be adequate for surface water drainage along the street or alley and in no case less than the equivalent of 15 inch diameter pipe.

Sixth: No revisions or additions shall be made to the access driveway or its appurtenances on the right-of-way without the permission of the City of Spooner Street Department.

Seventh: The City of Spooner does not assume any responsibility for the removal or clearance of snow, ice or sleet, or the opening of windrows of such material, upon any portion of any driveway or entrance along any street or alley, even though snow, ice or sleet is deposited or windrowed on said driveway or entrance by its authorized representative engaged in normal winter maintenance operations.

Eighth: The permittee, his successors or assigns agree to hold harmless the City of Spooner and its duly appointed agents and employees against any action for personal injury or property damage sustained by exercise of this permit.
