- 3 Fees will be reduced by 50% for extraterritorial jurisdictional review.
- 4 Fees may be waived by action of the Plan Commission if it is exercising its power under extraterritorial jurisdiction unless a special meeting is required.

Cost Determination

Subdivider of land divisions within the City shall reimburse the City for its actual cost of design, inspection, testing, construction and associated legal and real estate fees incurred in connection with the preliminary plat, final plat, replat or certified survey. The City's costs shall be determined as follows:

- 1 The cost of City employees' time engaged in any way with the land division based on the hourly rate paid to the employee multiplied by a factor determined by the City Clerk-Treasurer to represent the City's cost for expenses, benefits, insurance, sick leave, holidays, vacation and similar benefits, insurance sick leave, holidays, vacation and similar benefits.
- 2 The cost of city equipment employed.
- 3 The cost of mileage reimbursed to City employees which is attributed to the land division.
- 4 The actual costs of city materials incorporated into the work, including transportation costs plus a restocking and/or handling fee not to exceed ten percent (10%) of the cost of the materials.
- 5 All consultant fees, including but not limited to legal and engineering, at the invoiced amount plus administrative costs

Statements outstanding for more than thirty (30) days shall accrue interest at the rate of one and one-half percent (1-1/2%) per month. Bills outstanding for more than ninety (90) days shall be forwarded to the subdivider's surety agency for payment.
